To Whom It May Concern:

The Northern California Presbytery officially approved the creation of Team Utah as a ministry of the Northern California Presbytery of the Presbyterian Church in America ("PCA") and naming Anthony Thomas as the Executive Director of that organization. Team Utah is an extension of the already existing churches in Utah that belong to our Presbytery.

These approvals were granted at the Stated Meeting of the Presbytery on October 7, 2005.

Specifically, the Presbytery approved the following:

- Acknowledging Team Utah as one of the "organization's subordinates" as that term is used in the IRS 501(c)(3) letter (attached) to the PCA.
- Permitting Anthony Thomas to register the PCA to do business in Utah.
- Permitting Anthony Thomas to take the following actions as a subordinate of the PCA organization thereby being included in the group IRS exemption – in order to comply with Utah state requirements:
  - Seeking an exemption from Utah state taxes.
  - Seeking an exemption from Utah state sales taxes.
  - Submitting a Utah Charitable Organization Permit Application.
- Providing financial support as a presbytery to this new church planting effort in concert with the tithes offered by the current five PCA churches in Utah.

Sincerely,

Andrew E. Field
