

New City Phoenix Vision, Mission & Core Values
Seeing Phoenix Become a New City Socially, Culturally and Spiritually

The salvation story teaches us that the Gospel, the Good News is this:

That God himself has come to rescue and renew creation through and in the word and work of Jesus Christ on our behalf.

Knowing the Gospel helps us understand the why and how of God's salvation.

Why – His purpose in saving us is to bring about a new heavens and a new earth, a renewed material creation.

How – How God brings about this salvation is by sheer grace not works, so that God alone receives the Glory.

NewCity Church Phoenix Vision

To be faithful in retelling the Salvation Story through words and deeds that brings about real gospel transformation within ourselves and within our ethnically and culturally diverse communities in Phoenix.
