ShortTerm missions

MNA ShortTerm Missions works for you in the following ways:

- identifies PCA churches, mission churches and PCA-led ministries within North America that can be strengthened and expanded by effective mercy and outreach ministries with the assistance of short term mission volunteers. (Projects are determined by local leadership and could include a variety of options such as light construction, VBS, backyard Bible clubs, sports camps, community movie night in the park, English as a Second Language (ESL) schools, prayer walks, personal evangelism, and conducting day camps for first or second generation immigrant children through Bible study, arts and crafts, drama, and personal testimonies.)
- identifies PCA churches and presbyteries that are committed to assisting other churches and ministries in both Word and deed ministries through the provision of volunteers and resources
- MNA ShortTerm Missions works primarily on an informal basis, linking the opportunity presented by the local church or ministry with individuals and teams from churches and other organizations that can assist with meeting the needs.

Finding opportunities to get involved with MNA
