4. About the Ministry:

Here is a brief paragraph (120 words) describing the church or ministry to be served (size, demographics, year started, etc.).

When disaster strikes, MNA has the high privilege of coordinating the PCA message of God's love to those affected. We assist churches and presbyteries by helping them to prepare for the certain coming storms. Often when disaster strikes local churches and presbyteries are overwhelmed and seek assistance. MNA Disaster Response stands ready to recruit and coordinate volunteers, provide site management, appeal for recovery funds, assist with distribution of supplies and equipment and channel prayer and spiritual encouragement upon the request of the local presbytery and church leadership. Since 2004 MNA Disaster Response has provided leadership in responses in 19 different states.

Please be advised that opportunity listings are based on information provided by the church or ministry seeking help.
