4. About the Ministry:

One of every 7 persons in the U.S. is an immigrant. In many areas there are no trustworthy, affordable immigration legal services. Therefore, many immigrants seeking to apply for benefits for which they are eligible will fall prey to immigration scams. The US Dept. of Justice has created a program to allow non-profits - such as churches - to obtain training and recognition to provide authorized immigration services. Reliable church-operated immigration legal clinics, staffed by qualified volunteer attorneys and/or trained, accredited volunteers, can meet a genuine need and demonstrate God's love to "the stranger," with much Kingdom potential.

Please be advised that opportunity listings are based on information provided by the church or ministry seeking help. MNA lists these opportunities as a service to PCA ministries and individuals, but makes no representation as to the accuracy, suitability, or availability of the opportunity and does not assess the suitability or qualifications of any participants.
