ABOUT

Baltimore, a city of over 700,000 people, is a vibrant city full of culture, arts, and ingenuity. According to a recent Forbes magazine article, Baltimore is ranked the 14th “Coolest” City in the Nation. However, the City is also known for violence, addiction, and poverty.

City Church is a church planting initiative focused on the neighborhoods of North Baltimore, most specifically Roland Park, Hampden, and Mount Washington. This initiative is spearheaded by Chapelgate Presbyterian Church in Marriottsville, MD and is a work of the Presbyterian Church of America (PCA). Patrick and Becca Donohue have been commissioned by Chapelgate Presbyterian Church and Mission to North America as church planters.

PROJECT OVERVIEW

Participants will spend their time supporting the City Church, church planting initiative through various service opportunities throughout Baltimore City. Our goal is that participants will gain experience in learning about the City’s culture and serving at the places of greatest need. You’ll be exposed to the real issues of the city and those who are working on the “front lines” in the City. Ample time will be given each day to debrief the experience and pray for God’s work in the City.
