

Help an English Language Learner Hear and See the Good News English as a Second Language Teacher Training

God has brought the World to our Doorstep! Every city and town in the United States is experiencing an influx of people from all around the world. How should the Church respond to this movement of people directed by our Sovereign God? Through ESL (English as a Second Language) ministries, the Church can now obey two of Jesus' great commands in one ministry. We can literally reach the nations (Matthew 28:19-20) by loving our neighbor (Luke 10:27).

MNA ESL offers a 11-hour training to teach you how to start an ESL Ministry and equips nonprofessionals to teach English to adult immigrants. It is usually done in a Friday night and all-day Saturday format.

In this training you will learn:

1. How to start and maintain a fruitful ESL Ministry
2. How to teach ESL to adult Internationals including:
 - a. How to place students in the proper fluency level classroom
 - b. How to Lesson Plan using professionally written curriculum
 - c. How to introduce new vocabulary & sentences using new vocabulary
 - d. How to get the students to generate their own sentences
3. How to build authentic relationships with your students
4. How to share the Gospel both inside and outside the ESL Classroom

You do not need to speak a foreign language or be a professional teacher to be a volunteer ESL Teacher. All you need to do is speak English and love Jesus and we can teach you the rest. This training is interactive. During the training you will practice the skills that you are learning, create two lesson plans for different fluency levels and come away excited to serve the Lord through ESL Ministry.
